

NEW HOPE CHURCH

"Connecting People to Jesus and to Each Other"

33640 Michigan Ave., Wayne, MI 48184

Dr. Virgil Humes, D. Min., Pastor

Part-Time Technical Director

If you have a passion for leading and directing worship through Production Technology, New Hope Church is looking for YOU! Located in Wayne, Michigan, New Hope Church has over 500 members in regular Sunday worship, and is committed to connecting people to Jesus and to each other. We believe that audio, video and lighting can be an excellent enhancement to worship and aid in bringing people to a saving knowledge of Jesus Christ.

The part-time Technical Director (TD) will oversee all aspects of live production and assist the New Hope Production Team with a creative vision to enhance the services at New Hope Church –Wayne. Areas of focus will include audio engineering, video broadcast, and some lighting. The TD will also be responsible for recruiting and mentoring volunteers to man all positions needed for a given event or worship service. This position will be primarily located at our Wayne, Michigan campus.
